ROBOTICS SUMMER CAMP 2007

For students aged 11-14

www.parallax.com

The Boeobot robot is fully programmable in basic and comes with a variety of sensor applications.

Please consider our one week summer camp if you are interested in robotics. The camp will feature the BoeBot robot. Campers will build, program and compete with other campers using the robot. **At the end of the one week camp, each camper will leave with a complete Boe-bot kit.** Campers will also learn to design their own webpage. There will be two, one-week camps, limited to 25 campers each (accepted in order of received registration and payment). The morning camp will run from 9:00 AM until 12:30 PM Monday through Thursday. The afternoon camp will run from 1:00 PM until 4:30 PM Monday through Thursday. Both camps will meet on Friday from 9:00 AM until 4:30 PM.

To attend one of these camps please complete the tear-off below and mail it with a check for \$100.00 made payable to Dulaney High School and mail it to:
